

Problem Areas 2013

31) Describe any problems that have arisen regarding the corridor.

Residential development along the corridor remains slow for now but sooner or later its impact may again be felt.

32) Describe present and future actions to resolve these issues.

We use our “bully pulpit” before governmental agencies and the public to protect and preserve Byway resources and encourage public appreciation for the need to protect and enhance byway scenic resources through our community outreach and education activities.
