

Section 8: Local Support for the Corridor

The Volusia County Government and the City of Ormond Beach have, and shall continue to, support local, state, and federal scenic highway designations which promote community pride, provide a positive community self image, provide a pleasant driving and pedestrian experience, preserve, and protect unique scenic, historical, archaeological, cultural, recreational, aesthetic and environmentally significant resources.

The following organizations have written resolutions and Letters of Support. Resolutions and Partnership Agreements are included as Appendix A. Letters of Support are included as Appendix B and Local Media Support is included in Appendix C.

Appendix A: Resolutions & Partnership Agreements

- Volusia County Metropolitan Planning Organization Resolution
- Volusia County Resolution
