WHAT TOOK CENTURIES TO CREATE TAKES YOU TO PRESERVE

Ormond Scenic Loop & Trail (OSLT) is a 30+ mile double loop of roadways traversing some of the most beautiful and diverse natural scenery remaining in all of northeast Florida. There is ready access to the Atlantic Ocean, North Peninsula, Tomoka and Bulow Creek State Parks as well as numerous city and county parks. The roadway view includes unobstructed vistas of two rivers, creeks and marshes, barrier island dunes and beach, and historic dwellings. Visitors seeking a cultural and/or historic experience will find museums and historic public buildings and private homes along the corridor, in Tomoka State Park and in locations a few blocks off the designated roadways. Recreational opportunities abound with numerous parks and trails offering boating, fishing, hiking, swimming, bicycling, beach walking and much more. Vast expanses of water and natural Florida scrub vegetation create beautiful scenic vistas waiting to be photographed. Northern right whales and humpback whales can be seen offshore during migration seasons. Dolphins are a common sight. Loggerhead, green and leatherback turtles use the sandy beaches along A1A for nesting.

BE A FRIEND
