CME BUSINESS

As decided at the November meeting, the OSLT general membership meeting was cancelled for December. Board members discussed several follow-up items.

- A full report from Corridor Solutions will be presented early in 2008
- OSLT will begin work to achieve 501(c)(3) status as soon as possible
- We need to have a concrete plan of projects before we begin any fund-raising
- We will prioritize several short-term and/or low-cost goals and begin work on them early in 2008
- We will recruit members to work on sub-committees dedicated to one goal/project. Sub-committees will work throughout the month and report on progress at the monthly general membership meetings.
- Prioritized goals will be put into the work/master plan and added to the monthly agenda

Meeting was adjourned at 6:15 p.m.
